# The Personal Bible Reading Log

If your desire is to read the Bible from cover to cover, this Bible reading plan offers a practical and enjoyable schedule to achieve that goal.

Each month has twenty-five days. If you miss a day, you're not behind. You will have five or six extra days to catch up, read ahead, or focus on other things. Throughout each month, the plan interweaves various sections of Scripture, providing variety in your reading and making Biblical continuity and unity more apparent.

Those who prefer a meditative, more devotional reading style may want more time. Extend the twenty five readings over two months. This is your plan—adapt it to suit your style.

Pray before you read. Ask God to use the text to communicate His thoughts directly to you. Expect God to have something for you each time you read. Let it affect the thoughts and actions of your day to day living!

*This complimentary Bible reading plan is our thank you to friends like you who encourage and support the work of Nav staff and associates serving on Canadian campuses, in communities, and around the world.*
